

# “In house” outing permission form Summer 2026

Dear parents of Smiley Bunch and Summer Vibes “siblings camp” Campers,

This year, we are excited to announce that we are prioritising fun and educational outings for all of our campers this summer. We will be offering three dynamic and interactive “in-house” outings for all the campers of both camps!

**As mentioned in the parents Q+A document and registration information, we are asking parents to contribute \$45 for the “in-house” outings that your child will be attending (or 15\$ per “in-house” outing).**

- If you choose not to send your child to camp that day, no fee is required.
- If you choose not to allow your child to participate in the “in-house” outing, they will do another activity during that time.
- Please leave the contribution and form together in an envelope or ziplock to avoid any confusion. Write the full name of your child and number to be reached at (in case).
- Below, you will find a small description of what our in-house outings entail. With that being said, please fill out this form regardless of participation for our records.

*Thank you! Sofia & Serena (Smiley Bunch and Summer Vibes Coordinators)*
